### SPEAKER BIOGRAPHY

**JEN BALLANTYNE** is an elder law and estate planning attorney in private practice as Estates and Elders Law PLLC. Jen's legal career was "inspired by Mom." As caregiver during her mother's six-year journey with Alzheimer's, she developed a passion for helping other families navigate the challenges of aging and disability. Jen graduated from Gonzaga University School of Law in 2014.

Jen helps elders and their families plan for long-term care, preserve assets and apply for government needs-based benefits to pay for care. Jen also helps clients plan their estates with Wills, Trusts, Durable Powers of Attorney and instructions for assets that pass outside of a Will. She ensures clients have appropriate decision makers in place for finances and health care, including end-of-life care. Jen also assists families with settling estates after the passing of a loved one, including probate if necessary.

Prior to her legal career, Jen enjoyed a 37-year business career, most of that in telecommunications sales. Jen and her husband, Gary, share three adult children and seven grandchildren and love to travel worldwide.
