

Your Key to Services

- Setting your guardian to succeed
- Finding the correct guardian for your AIP is THE most important service.
- Not all guardians are created equally nor do they have all the same interests.
- Finding the right guardian is the best service you can do. Arranged marriage is there a good fit?
- Reiterate AIP Meeting guardian with GAL. How do they interact?

Getting to know what guardian's strengths- Can't know all, but accumulate knowledge

- Do not sugarcoat the situation just to finish your role in the case.
- Does your proposed guardian have the experience and skills to meet the situations?
- Ask how many cases they serve what is the structure business... Easy to have too many cases.
- Everyone will cut their teeth with new experiences, it is a "Practice".
- Guardians remember who and how GALs conduct business

.Help you, help the AIP and yourself

- Learn guardians, agency practices
- The basics of SSI, SSA,SSDI and how it may impact your ability to find a guardian.
- Understand the differences between Long Term Care programs Supported Living DDA, Home and Community settings all impact how guardians can be paid.
- Systems, if you don't know ask guardians

The "key to services" effectively knowing the AIP's status and needs and effectively pairing with the appropriate guardian!

- Is it questionable ethical practice to just smile and dial?
